§ 7101. Composition of Board of Veterans' Appeals

(a) There is in the Department a Board of Veterans' Appeals (hereinafter in this chapter referred to as the "Board"). The Board is under the administrative control and supervision of a chairman directly responsible to the Secretary. The Board shall consist of a Chairman, a Vice Chairman, and such number of members as may be found necessary in order to conduct hearings and dispose of appeals properly before the Board in a timely manner. The Board shall have such other professional, administrative, clerical, and stenographic personnel as are necessary in conducting hearings and considering and disposing of appeals properly before the Board. The Board shall have sufficient personnel under the preceding sentence to enable the Board to conduct hearings and consider and dispose of appeals properly before the Board in a timely manner.

(b)(1) The Chairman shall be appointed by the President, by and with the advice and consent of the Senate, for a term of six years. The Chairman shall be subject to the same ethical and legal limitations and restrictions concerning involvement in political activities as apply to judges of the United States Court of Appeals for Veterans Claims.

(2) The Chairman may be removed by the President for misconduct, inefficiency, neglect of duty, or engaging in the practice of law or for physical or mental disability which, in the opinion of the President, prevents the proper execution of the Chairman's duties. The Chairman may not be removed from office by the President on any other grounds. Any such removal may only be made after notice and opportunity for hearing.

(3) The Chairman may be appointed under this subsection to more than one term. If, upon the expiration of the term of office for which the Chairman was appointed, the position of Chairman would become vacant, the individual serving as Chairman may, with the approval of the Secretary, continue to serve as Chairman until either appointed to another term or a successor is appointed, but not beyond the end of the Congress during which the term of office expired.

(4) The Secretary shall designate one member of the Board as Vice Chairman. The Vice Chairman shall perform such functions as the Chairman may specify. Such member shall serve as Vice Chairman at the pleasure of the Secretary.

(c)(1)(A) The Chairman may from time to time designate one or more employees of the Depart-

ment to serve as acting members of the Board. Except as provided in subparagraph (B), any such designation shall be for a period not to exceed 90 days, as determined by the Chairman.

(B) An individual designated as an acting member of the Board may continue to serve as an acting member of the Board in the making of any determination on a proceeding for which the individual was designated as an acting member of the Board, notwithstanding the termination of the period of designation of the individual as an acting member of the Board under subparagraph (A) or (C).

(C) An individual may not serve as an acting member of the Board for more than 270 days during any one-year period.

(D) At no time may the number of acting members exceed 20 percent of the total of the number of Board members and acting Board members combined.

(2) In each annual report to the Congress under section 529 of this title, the Secretary shall provide detailed descriptions of the activities undertaken and plans made in the fiscal year for which the report is made with respect to the authority provided by paragraph (1) of this subsection. In each such report, the Secretary shall indicate, in terms of full-time employee equivalents, the number of acting members of the Board designated under such paragraph (1) during the year for which the report is made.

(d)(1) After the end of each fiscal year, the Chairman shall prepare a report on the activities of the Board during that fiscal year and the projected activities of the Board for the fiscal year during which the report is prepared and the next fiscal year. Such report shall be included in the documents providing detailed information on the budget for the Department that the Secretary submits to the Congress in conjunction with the President's budget submission for any fiscal year pursuant to section 1105 of title 31.

(2) Each such report shall include, with respect to the preceding fiscal year, information specifying—

(A) the number of cases appealed to the Board during that year;

(B) the number of cases pending before the Board at the beginning and at the end of that year;

(C) the number of such cases which were filed during each of the 36 months preceding the current fiscal year;

(D) the average length of time a case was before the Board between the time of the filing of an appeal and the disposition during the preceding fiscal year;

(E) the number of members of the Board at the end of the year and the number of professional, administrative, clerical, stenographic, and other personnel employed by the Board at the end of the preceding fiscal year; and

(F) the number of employees of the Department designated under subsection (c)(1) to serve as acting members of the Board during that year and the number of cases in which each such member participated during that year.

(3) The projections in each such report for the current fiscal year and for the next fiscal year shall include (for each such year)—

(A) an estimate of the number of cases to be appealed to the Board; and

(B) an evaluation of the ability of the Board (based on existing and projected personnel levels) to ensure timely disposition of such appeals as required by section 7101(a) of this title.

(e) A performance incentive that is authorized by law for officers and employees of the Federal Government may be awarded to a member of the Board (including an acting member) by reason of that member's service on the Board only if the Chairman of the Board determines that such member should be awarded that incentive. A determination by the Chairman for such purpose shall be made taking into consideration the quality of performance of the Board member.

(2) Each member of the Board shall be a member in good standing of the bar of a State.

(b) Members of the Board (other than the Chairman and any member of the Board who is a member of the Senior Executive Service) shall, in accordance with regulations prescribed by the Secretary, be paid basic pay at rates equivalent to the rates payable under section 5372 of title 5.

(c)(1)(A) The Chairman shall establish a panel to review the performance of members of the Board. The panel shall be comprised of the Chairman and two other members of the Board (other than the Vice Chairman). The Chairman shall periodically rotate membership on the panel so as to ensure that each member of the Board (other than the Vice Chairman) serves as a member of the panel for and within a reasonable period.

(B) Not less than one year after the job performance standards under subsection (f) are initially established, and not less often than once every three years thereafter, the performance

review panel shall determine, with respect to each member of the Board (other than the Chairman or a member who is a member of the Senior Executive Service), whether that member's job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f). Each such determination shall be in writing.

(2) If the determination of the performance review panel in any case is that the member's job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f), the Chairman shall recertify the member's appointment as a member of the Board.

(3) If the determination of the performance review panel in any case is that the member's job performance does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall, based upon the individual circumstances, either—

(A) grant the member a conditional recertification; or

(B) recommend to the Secretary that the member be noncertified.

(4) In the case of a member of the Board who is granted a conditional recertification under paragraph (3)(A) or (5)(A), the performance review panel shall review the member's job performance record and make a further determination under paragraph (1) concerning that member not later than one year after the date of the conditional recertification. If the determination of the performance review panel at that time is that the member's job performance as a member of the Board still does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall recommend to the Secretary that the member be noncertified.

(5) In a case in which the Chairman recommends to the Secretary under paragraph (3) or (4) that a member be noncertified, the Secretary, after considering the recommendation of the Chairman, may either—

paragraph if the Secretary determines that the member of the Board removed under paragraph (1) is not qualified for the position.

(e)(1) A member of the Board (other than the Chairman or a member of the Senior Executive Service) may be removed as a member of the Board by reason of job performance only as provided in subsections (c) and (d). Such a member may be removed by the Secretary, upon the recommendation of the Chairman, for any other reason as determined by the Secretary.

(2) In the case of a removal of a member under this section for a reason other than job performance that would be covered by section 7521 of title 5 in the case of an administrative law judge, the removal of the member of the Board shall be carried out subject to the same requirements as apply to removal of an administrative law judge under that section. Section 554(a)(2) of title 5 shall not apply to a removal action under this subsection. In such a removal action, a member shall have the rights set out in section 7513(b) of that title.

(f) The Chairman, subject to the approval of the Secretary, shall establish standards for the performance of the job of a member of the Board (other than the Chairman or a member of the Senior Executive Service). Those standards shall establish objective and fair criteria for evaluation of the job performance of a member of the Board.

(g) The Secretary shall prescribe procedures for the administration of this section, including deadlines and time schedules for different actions under this section.

Section 2 of Pub. L. 87-97 provided that: "The amendment made by this Act [amending this section] shall take effect as of January 1, 1962."

§ 7105. Filing of notice of disagreement and appeal

(a) Appellate review will be initiated by a notice of disagreement and completed by a substantive appeal after a statement of the case is furnished as prescribed in this section. Each appellant will be accorded hearing and representation rights pursuant to the provisions of this chapter and regulations of the Secretary.

(b)(1) Except in the case of simultaneously contested claims, notice of disagreement shall be filed within one year from the date of mailing of notice of the result of initial review or determination. Such notice, and appeals, must be in writing and be filed with the activity which en-

tered the determination with which disagreement is expressed (hereinafter referred to as the "agency of original jurisdiction"). A notice of disagreement postmarked before the expiration of the one-year period will be accepted as timely filed.

(2) Notices of disagreement, and appeals, must be in writing and may be filed by the claimant, the claimant's legal guardian, or such accredited representative, attorney, or authorized agent as may be selected by the claimant or legal guardian. Not more than one recognized organization, attorney, or agent will be recognized at any one time in the prosecution of a claim.

(c) If no notice of disagreement is filed in accordance with this chapter within the prescribed period, the action or determination shall become final and the claim will not thereafter be reopened or allowed, except as may otherwise be provided by regulations not inconsistent with this title.

(d)(1) Where the claimant, or the claimant's representative, within the time specified in this chapter, files a notice of disagreement with the decision of the agency of original jurisdiction, such agency will take such development or review action as it deems proper under the provisions of regulations not inconsistent with this title. If such action does not resolve the disagreement either by granting the benefit sought or through withdrawal of the notice of disagreement, such agency shall prepare a statement of the case. A statement of the case shall include the following:

(A) A summary of the evidence in the case pertinent to the issue or issues with which disagreement has been expressed.

(B) A citation to pertinent laws and regulations and a discussion of how such laws and regulations affect the agency's decision.

(C) The decision on each issue and a summary of the reasons for such decision.

(2) A statement of the case, as required by this subsection, will not disclose matters that would be contrary to section 5701 of this title or otherwise contrary to the public interest. Such matters may be disclosed to a designated representative unless the relationship between the claimant and the representative is such that disclosure to the representative would be as harmful as if made to the claimant.

(3) Copies of the "statement of the case" prescribed in paragraph (1) of this subsection will be submitted to the claimant and to the claimant's representative, if there is one. The claimant will be afforded a period of sixty days from the date the statement of the case is mailed to file the formal appeal. This may be extended for a reasonable period on request for good cause shown. The appeal should set out specific allegations of error of fact or law, such allegations related to specific items in the statement of the case. The benefits sought on appeal must be clearly identified. The agency of original jurisdiction may close the case for failure to respond after receipt of the statement of the case, but questions as to timeliness or adequacy of response shall be determined by the Board of Veterans' Appeals.

(4) The claimant in any case may not be presumed to agree with any statement of fact con-

tained in the statement of the case to which the claimant does not specifically express agreement.

(5) The Board of Veterans' Appeals may dismiss any appeal which fails to allege specific error of fact or law in the determination being appealed.

(a)(1) Except as provided in paragraphs (2) and (3) and in subsection (f), each case received pur-

suant to application for review on appeal shall be considered and decided in regular order according to its place upon the docket.

(2) A case referred to in paragraph (1) may, for cause shown, be advanced on motion for earlier consideration and determination. Any such motion shall set forth succinctly the grounds upon which the motion is based. Such a motion may be granted only—

(2) When such facilities and equipment are available, the Chairman may afford the appellant an opportunity to participate in a hearing before the Board through the use of such facilities and equipment in lieu of a hearing held by personally appearing before a Board member or panel as provided in subsection (d). Any such
